if you can help out

Yes, another year has passed and we are getting ready for December Nights in the SDMG Museum area. We will have a big selling booth populated with smiling volunteers selling all kinds of interesting donated and purchased items that you definitely need for the holidays.

Of course, none of this happens without volunteers. So, if you would like to help, please contact me at curator.sdmg@gmail.com.

As a volunteer, I guarantee you will enjoy yourself, and you will have the opportunity get to visit with thousands of happy people cheered by holiday spirit. I can also promise you long hours and the chance to sleep in on Sunday morning. You will need it! But, it's worth it. I'd love to hear from you.

Another added bonus: Volunteers who bring something to share that will feed approx. 8 to 10 people get to participate in the potluck. The society will provide coffee & tea.

In years past we had a great selection of foods to keep us going all day and night. Fa-la-la-la-la.

Be sure and get to the park early. This is a very popular event and the Zoo lot is usually the most convenient place to park.
